FORGECORPGLOBAL.COM

WHY FORGE

BUILT FOR THE HANDS THAT BUILD.

Every glove in this catalogue starts with one question: what does the job do to a hand? Impact, heat, cut, cold, oil, fatigue — we design around the hazard first, then choose the leather, the lining and the stitching to match.

We manufacture in Karachi, a city with generations of leather craft, and work as an OEM and private-label partner for distributors, PPE suppliers and brands. Every style can carry your logo, your colours and your packaging.

OUR PROMISE

Clear specs. Honest lead times. Straight answers.

Standards shown are the targets each glove is engineered to. Test reports and certificates are shared as they are issued.

HOW TO READ A PRODUCT PAGE

01 Product code
Quote it on any enquiry — every style has one.

02 Protection icons
What the glove is built for: impact, cut, heat, wet, cold and more.

03 Key features
The materials and construction, zone by zone.

04 Spec strip
Target standard, size run, MOQ and lead time.

◆ CONTENTS

SIX RANGES. ONE STANDARD.

01 p.05
IMPACT
Armoured against knocks, pinches and crush.
10 STYLES

02 p.11
MECHANIC
Dexterity first, protection built in.
12 STYLES

03 p.18
WELDING
Heat, spatter and sparks — handled.
10 STYLES

04 p.24
LEATHER DRIVER
The classic, made properly.
8 STYLES

05 p.29
ASSEMBLY
Thin palms for precise hands.
10 STYLES

06 p.35
HI-VIS & UTILITY
Seen, connected and ready for anything.

FI-GL-22

WELDING · TIG · GAUNTLET CUFF

FORGE TIG WELDING GAUNTLET

A precision TIG gauntlet in soft grain goatskin — thin enough to feel the filler rod, with a split-leather gauntlet cuff that shields the wrist and forearm from spatter and radiant heat.

HEAT

- Seamless Goatskin Back
- Slim TIG Finger Cut
- Unlined Grain Goatskin Palm
- Keystone Thumb
- Premium Grain Goatskin
- Split-Leather Gauntlet Cuff

STANDARD	SIZES
EN 12477	S–2XL
MOQ	**LEAD TIME**
400 pcs	35–45 days

WELDING · MIG · LINED GAUNTLET

FORGE MIG WELDING GAUNTLET

A lined MIG gauntlet pairing a grain-goatskin palm with a heavy split-leather back and gauntlet cuff — built for the higher spatter and radiant heat of MIG and stick welding.

HEAT

- Heavy Split-Leather Back
- Wrapped Goatskin Fingers
- Grain Goatskin Palm
- Keystone Thumb
- Cotton-Lined Back & Cuff
- Split Leather & Grain Goatskin
- Split-Leather Gauntlet Cuff

STANDARD	SIZES
EN 12477	S–2XL
MOQ	**LEAD TIME**
400 pcs	35–45 days

FI-GL-23

FI-GL-24

WELDING · STICK / MIG · LINED

FORGE STICK WELDING GAUNTLET

A heavy stick and MIG gauntlet in oil-tanned split leather with a grain-leather back and a wool-lined gauntlet cuff — built for the sustained radiant heat of arc and stick work.

HEAT · WET & OIL

- Grain-Leather Back
- Split-Leather Fingers
- Oil-Tanned Split-Leather Palm
- Reinforced Thumb Saddle
- Wool-Lined Back & Cuff
- Oil-Tanned Split & Grain Leather
- Wool-Lined Gauntlet Cuff

STANDARD	SIZES
EN 12477	S–2XL
MOQ	**LEAD TIME**
400 pcs	40–50 days

WELDING · TIG · ELASTICATED WRIST

SENTINEL TIG WELDING GAUNTLET

A close-fitting TIG gauntlet in soft grain goatskin with an elasticated wrist and a long split-leather cuff — precision feel at the torch with full forearm coverage.

HEAT

- Seamless Goatskin Back
- Close-Cut TIG Fingers
- Grain Goatskin Palm
- Wing Thumb
- Premium Grain Goatskin
- Split-Leather Cuff · Elasticated Wrist

STANDARD	SIZES
EN 12477	S–2XL
MOQ	**LEAD TIME**
400 pcs	35–45 days

FI-GL-25

FI-GL-26

WELDING · JERSEY-LINED · KEYSTONE THUMB

FORGE KEVLAR-STITCHED WELDING GAUNTLET

A full-grain cowhide welding gauntlet with a cow-shoulder split back, seamless index finger and DuPont™ Kevlar® stitching — reinforced at the palm and thumb crotch, jersey-lined, and cut generously for easy slip on and off.

CUT LINED · HEAT

- Cowhide Split Back · Elasticated
- Seamless Full-Grain Index
- Full-Grain Cowhide Palm · Reinforced
- Keystone Thumb
- Cotton Full-Sock Jersey Lining
- Full-Grain Cowhide & Shoulder Split
- Split-Leather Cuff · Turned Hem

STANDARD	SIZES
EN 12477	7–12
MOQ	**LEAD TIME**
400 pcs	35–45 days

WELDING · TIG · WING THUMB

SENTINEL GRAIN-LEATHER TIG GAUNTLET

A premium cow-grain leather welding gauntlet with a wing thumb and elasticated grain back — lock-stitched with flame-resistant Kevlar® thread, jersey-lined, and finished with a split-leather cuff.

CUT LINED · HEAT

- Cowhide Grain Back · Elasticated
- Close-Cut Grain Fingers
- Premium Cow-Grain Palm
- Wing Thumb
- Cotton Full-Sock Jersey Lining
- Full-Grain Cow-Grain Leather
- Premium Cow-Split Cuff

STANDARD	SIZES
EN 12477	7–12
MOQ	**LEAD TIME**
400 pcs	35–45 days
